ANALOG MAPS						
Topographic Maps (36 inches x 36 inches)	Section 2.16 of DAO 31 series of 1988 NAMRIA Charter	120.00	150.00	30.00	25%	Fees paid are already very minimal considering the production cost and the value of the data. Maps are printed in A0-size paper and in large-format plotters. Further, these products are provided free of charge to all national government agencies (NGAs) and local government units (LGUs), including the academia for their thesis and research purposes.
Administrative Map						
Philippine Map (42 inches x 45 inches)		300.00	300.00	N/A	N/A	
Regional Maps (various sizes, minimum of 36 inches x 36 inches)		200.00	200.00	N/A	N/A	
Provincial Maps (various sizes, minimum of 36 inches x 36 inches)		200.00	200.00	N/A	N/A	
Nautical Charts						
Black and White (AO or 1.1 x 0.75 meters)		450.00	700.00	250.00	56%	These charts are used by both domestic and foreign shipping lines. International market prices are: United Kingdom Hydrographic Office (UKHO) £30.50 or PH2,041.67; Japan Hydrographic Association (JHA) ¥ 3520 or PHP1,443.20
Colored (AO or 1.1 x 0.75 meters)		600.00	900.00	300.00	50%	
Nautical Charts including Chart Index (AO or 1.1 x 0.75 meters)		<i>print on demand</i>	1,500.00			Newly published charts and frequently updated charts
Land Classification Map						
LC Map (printed copy)		PHP250.00 for the first square meter and additional PHP30.00 for every increment of 0.30 square meter; Additional PHP25.00 per sheet for "Certified True Copy" stamp	PHP250.00 for the first square meter and additional PHP30.00 for every increment of 0.30 square meter; Additional PHP25.00 per sheet for "Certified True Copy" stamp		N/A	N/A
